WHEREAS, on March 10, 2020 the Governor of the State of North Carolina declared a State of Emergency and has issued a series of executive orders and extensions thereof to coordinate both the response and protective measures he deemed necessary to prevent the spread of COVID-19;

WHEREAS, beginning on March 13, 2020, the Chief Justice of the North Carolina Supreme Court has issued a series of emergency directives for the court system aimed at keeping North Carolina Courts open for essential business while protecting the health and safety of court personnel and the public;

WHEREAS, the Senior Resident Superior Court Judge and the Chief District Court Judge have reviewed and continue to review the Chief Justice's Emergency Directives and the minimum requirements established by the Judicial Branch COVID-19 Task Force for the resumption of jury trials;

WHEREAS, prior to the adoption of this Administrative Order, input from all stakeholders (*as defined by the Task Force and the Chief Justice's directive*) was considered and it was concluded that if it is required that jury trials are to proceed that this local plan is reasonable, follows all current and appropriate standards for the health and safety of all participants and follows all current specific guidelines provided by the Chief Justice;

WHEREAS, in order to implement the requirements of the Chief Justice's Emergency Directives the following Administrative Order is entered as the Jury Trial Resumption Plan for the 30A Judicial District;

**JURY TRIAL RESUMPTION PLAN FOR GRAHAM COUNTY
FOR JURY TRIALS BEGINNING AFTER SEPTEMBER 30, 2020**

1. On or after the date specified by the Chief Justice as the earliest date allowed for the resumption of jury trials, and upon confirmation of readiness after consultation with the Clerk of Superior Court and the COVID-19 coordinator, civil jury trials may be calendared in district and superior court in consultation with the COVID-19 coordinator.
2. Counsel in civil matters are encouraged to consider bench trials or six-person juries to reduce the number of people in the courtroom as well as the amount of time required for jury selection.
3. On or after the date specified by the Chief Justice as the earliest date allowed for the resumption of jury trials, and upon confirmation of readiness after consultation with the Clerk of Superior Court and the COVID-19 coordinator, criminal jury trials may be calendared for trial subject to the recommendations of the Judicial Branch COVID-19 Task Force set forth in the *NCAOC COVID-19 Field Guidance*.
4. Upon the approval of the calendaring of jury trials as set forth above, at least thirty (30) days prior to any sessions of superior or district court requiring a jury, the Clerk of Superior Court or designee shall prepare a randomized list from the jury list of enough panels for the number of jurors required for the session of court as well as any consideration given for additional jurors to be selected to replace grand jury members who are rotating off. Each panel shall contain a number equal to a historically based estimate of the number of jurors who normally appear, so that a panel does not exceed the maximum capacity.

5. Based upon these historic figures and the seating capacity the panels randomly selected for Graham County panels shall consist of 200 randomly selected jurors.
6. The Clerk will summon jurors for each term of court, unless otherwise instructed by the Senior Resident Superior Court Judge or Chief District Court Judge. The jurors will be instructed to call after 5:30 p.m. on the day before they are to report for instructions on when to report or call back.
7. The size and number of the jury panels will be modified if the number of jurors seeking COVID-19 based excuses or deferrals for jury service are considerable or the historically based estimates used to establish the panel sizes fail to materialize.
8. To minimize the number of persons at the courthouse, the in-person hearing of jury excuses by District Court Judges pursuant to N.C.G.S. 9-6(b) is suspended. Jurors written requests may be sent via mail, fax or email and must be received within five (5) business days before the date upon which they are to appear in accordance with N.C.G.S. 9-6.1. All written excuses and other excuses not ruled upon prior to the beginning of the term will be ruled upon by the presiding trial judge.
9. In ruling upon requests for deferrals and excuses, judges shall grant deferrals or excuses during the pandemic liberally taking into account the CDC guidance with regard to high risk individuals, persons who live with or act as caregivers for person who are high risk and to essential workers in the health and service industries and persons who have recently traveled, provided that due consideration is given to fair cross section challenges and diversity. Show causes shall not be issued on failures to appear during the months of October through December. Jurors who fail to appear during these months shall instead be given the opportunity to serve at a term after December 31, 2020.
10. On the Friday before the jury trial session all parties involved in the trial (i.e. prosecutor, defendants counsel, judge, clerk, defendant etc.) shall meet at the location for jury selection and jury trial where they will perform a walkthrough of the lay out for the jury trial session where any concerns may be addressed.
11. Upon arrival for jury service jurors shall be seated six feet apart in all directions in the Robbinsville Elementary Gym during orientation and jury selection. Immediately upon entering the gym, all jurors shall complete written questionnaires, which will be tailored to the circumstances of the charges to be tried and developed in advance of the trial by the attorneys and the presiding judge. The attorneys will review the completed questionnaires and consult with the presiding judge as to which jurors, if any, should be excused or deferred based on the information in the questionnaires, and such jurors shall be excused immediately. At a minimum, the questionnaires should cover these areas:
 - a. Age;
 - b. Employment (present or from which retired), or disabled, or unemployed, homemaker, etc.
 - c. Name of spouse and spouse's employment;
 - d. Address;
 - e. Appointments or other firm time commitments that would make jury service impossible, even if that could have been made a part of a request for excusal or deferral at the earlier time;
 - f. Health concerns not related to Covid-19, such as being unable to sit for long periods, hearing or vision problems, cognitive concerns;
 - g. Firm religious convictions that would be violated by "sitting in judgment" on a fellow citizen;
 - h. Whether they or any member of their family:

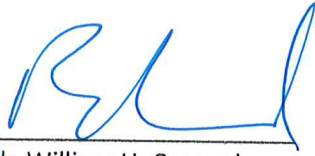

- i. Worked in either attorney's firm or otherwise had business relations with such attorney;
 - ii. Is related by blood or marriage to an attorney (including staff who will be present during the trial), or the defendant, or a witness, or any court personnel.
- i. Any other reason at all that would make it inappropriate to sit as a juror on the case to be tried.
12. During the orientation the presiding judge may either orally or in writing include mention to the jury of the safeguards and precautions that have been undertaken to provide a safe place for jurors.
13. Jury selection will take place at the alternate location in the Robbinsville Elementary Gymnasium, located at 76 Moose Branch Road.
14. Jury voir dire shall be conducted as follows:
 - (A) Twelve (12) jurors shall be randomly selected from the panel and will be seated six feet apart in all directions in the jury box and questioned by the court and by the attorneys for the State/Plaintiff(s) and the Defendant(s).
 - (B) Jurors selected will remain until all jurors are selected. At the time of their release, selected jurors shall execute and receive a copy of the Juror Responsibility Form attached hereto as Exhibit A.
 - (C) This process will continue until the full jury, including any alternates, has been selected.
 - (D) Counsel shall remain seated at counsel table during juror examination.
15. Once a jury has been selected the trial will resume at the Graham County Courthouse. Prior to the jury reporting for the trial, the courtroom tables and seating will be reconfigured so that the State/Plaintiff and Defense tables are situated in such a manner that the attorneys and the parties/ defendant will be able to view the witness stand, the jurors and the presiding judge.
16. All court personnel, jurors, attorneys, parties and spectators shall wear masks while in the courtroom and in the courthouse common areas. If any individual fails to bring a mask, a mask will be provided.
17. Witnesses will wear either a clear cloth face covering or a clear face shield so jurors can see the face of the witness while they testify, and while social distancing guidelines are being observed. Plexiglass will be placed at the witness table to assist if a clear mask or face shield are found to not be suitable with social distancing guidelines strictly being observed. A table will be used with plexiglass and a microphone as the witness stand and will be sanitized before the next witness takes the stand. If a microphone stand is used it shall be permanently fixed to the floor, or otherwise rendered incapable of being converted into a weapon. Lapel microphones are encouraged.
18. Trial jurors shall be empaneled by affirmation and shall be seated in the courtroom at proper social distancing and at locations which maximize to the fullest extent possible their view of the witness stand, the attorneys, the parties/defendant and the judge as well as maximizing their ability to hear the witness, the attorneys and the judge.
19. Spectators for the trial will meet at 196 Knight Street, where the trial will be live streamed for their viewing, and social distancing guidelines being observed.
20. Opening and closing arguments of counsel shall take place at the bar, with or without a podium, and social distancing guidelines being observed with the jury seated in the courtroom. Provided plexiglass is installed at the location established for opening and closing arguments, counsel shall be allowed to remove their masks from their nose and mouth during opening and closing arguments. The plexiglass and podium (if used) shall be sanitized between arguments. At all times during arguments, counsel shall remain six (6) feet from all other persons in the courtroom.

21. Attorneys/parties are required to prepare and provide marked original exhibits to be used at trial and provide copies of the marked exhibits to opposing counsel, the judge, and the court reporter prior to the beginning of trial; and to each witness (that will testify regarding the exhibit) prior to the witness taking the stand. The witness will take his copies to the stand to avoid the unnecessary passing of documents.
22. Exhibits published to the jury shall be published electronically whenever possible. If exhibits cannot be published electronically, they shall be published in a manner acceptable to the presiding judge that protects the health and safety of the jurors. This shall include at a minimum that each juror be provided their own copies to eliminate the passing of a single exhibit between jurors. If multiple copies are not possible, jurors shall sanitize their hands and wear gloves that will be provided prior to handling the exhibit and shall properly remove and dispose of the gloves and sanitize their hands after handling the exhibits. Trash cans and sanitizers shall be available in the courtroom for this purpose.
23. If juror notebooks are used for the publishing of exhibits, they shall be in a binder or plastic folder that can be easily cleaned with a disinfecting wipe. The presiding Judge will provide instructions to the jury as to how they are to be left, safely gathered and stored to prevent cross-contamination.
24. Jurors shall be instructed to bring their own pencils or pens. If pencils or pens need to be provided to jurors by the court, they will be either new pens or properly sanitized pens prior to a juror's use.
25. If jurors are permitted to take notes during their jury service, they shall store them in the plastic storage containers that shall be provided. The presiding Judge will provide instructions as to how they are to be left, safely gathered and stored to prevent cross-contamination and maintain confidentiality.
26. Counsel shall remain seated at counsel table during witness examination and social distancing shall be complied with at counsel tables.
27. No one will be allowed to approach the bench, the clerk of court or the court reporter without the prior permission of the court.
28. If counsel needs to consult privately and confidentially with their clients during the trial, the regular jury room in each courthouse will be made available for that purpose and social distancing shall be maintained by counsel and their clients during any such meetings. This area will be sanitized before and after such meetings.
29. Bench conferences shall not be allowed. If conferences need to be conducted, the jury will be excused and allowed to leave the facility and given a definite time in which to return. Conferences will take place in the courtroom during the jury's absence. If issues requiring a bench conference or hearing can be foreseen by counsel, the court will schedule those to be heard in the courtroom prior to the time the court requires the jury to appear to avoid unnecessary delay in the trial.
30. Jury deliberations shall take place in the Lovelace Building, located at 34 Court Street with all jurors being seated socially distanced. The street around the courthouse once the trial has started will be closed to all traffic except for court personnel and law enforcement.
31. Following the courts instructions to the jury, the jury will be escorted across the street to the Lovelace Building, where they will be guarded to prevent anyone from entering the building during the jury's deliberations.
32. Once the jury has reached a verdict, court will reopen, and the court will proceed with the taking of the verdict.
33. All jurors, court personnel, attorneys, witnesses, parties and spectators shall be screened daily for COVID-19 by requiring each to complete the Screening Sheet attached hereto as Exhibit B. In

addition, those counties that are equipped with instruments shall take the temperature of all individuals entering the courthouse. These screening sheets shall be collected, reviewed by the judge and placed in a sealed envelope.

34. If a juror, defendant, attorney, witness, judge, or other courtroom personnel becomes symptomatic, tests positive with COVID-19 or has a known exposure to someone who tested positive for COVID-19 during the trial, the COVID-19 Coordinator in that county will be notified immediately. The COVID-19 Coordinator in consultation with the presiding judge and the County Health Director and in accordance with the directives of the Chief Justice and CDC guidelines shall determine the appropriate action to be taken to ensure the health and safety of all individuals involved in the trial.
35. The witnesses for the trial will be sequestered in the Graham County Magistrate Office, and social distancing guidelines being observed.
36. The Board of Commissioners for the county, being responsible for providing court facilities, has approved of the use of non-courthouse facilities for jury selection during the pandemic, and in accordance with this plan. The county has consulted with its insurance provider, and has determined that all jurors, court personnel, participants and spectators will be covered for all losses just as if the jury selection were being conducted at or on the premises of or associated with the courthouse. Written leases of non-courthouse facilities, and insurance documentation, will be finalized prior to the beginning of any occupation of the premises for court purposes.
37. Except as are specifically modified herein all prior Administrative Orders relative to Superior and District Courts in Judicial District 30A remain in full force and effect.
38. This Administrative Order shall remain in full force and effect until modified or revoked.
